**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer that believes competition in most realms of business including broadband internet service is extremely important, and see no reason to inhibit it with new rules or legislation. Smaller, more local providers are as important as any other small business to serve local needs.
